Route 69: The Road to Better Sex Mastering the art of the 69, deep-throat blowjobs, and more

Let's put aside our usual kinks and consider instead one of the oldest aversions, the 69.

Some fans claim the practice is the ultimate configuration for sex, because it produces the most reliable stimulation and the most explosive sensations for both partners.

To do the 69 effectively, Ernie and Maryann—each of whom is quite adept at the art of oral sex—explain how it's done (I know because I watched. They're both exhibitionists).

Typically Maryann is on her back while Ernie crouches over her on his knees and elbows. Their heads are at opposite ends of each other, his face in her crotch, sucking slowly at her swollen, pink labia. Her hands play with his penis, which dangle half-hard above her face, as she nibbles tightly at the insides of his thighs while pressing her pubic mound against his chin.

He slips one thumb and his Index finger into her vagina, causing her to moan, which in turn seems to cause his erection to grow. She takes it in her mouth, licking and sucking excitedly. As his stiffening penis explores the depths of her throat, she arches her neck and opens her throat to accept It.

As it slides further In, Maryann is suddenly aware of another entry being made, this time into her ass, by Ernie's lubricated finger. This triple penetration has the expected effect—in his mouth, her swollen clit retracts in ecstasy and her heart pounds as her orgasm explodes through her system.

Ernie feels the muscle spasms clenching around his thumb and gently withdraws his penis from her throat. She gasps for air, breathing greedily, then just as greedily replaces his penis in her mouth and throws her head back again. With long, slow strokes he fucks her face, his butt clenching with every thrust. Even so, his asshole is as vulnerable to her index finger as hers was to his. As he pulls out, her finger slips in, twisting, as does his in hers. The sharing of that experience catapults them both into orgasm, him down her throat, and hers around his thumb and index finger.

Moments later, realizing that he's still hard and that they're both still horny, he twirls around crabwise, tracing ends so they can fuck while licking the juices off each other's faces. They continue like this for what seems a like a long time, sweaty bodies writhing together, and each eventually may have another climax. Generally, they fall asleep in each other's arms and wake up snuggled together in the morning. They're anything but strangers.

Strangers don't usually do such things to each other.

Although the invitation, "Let's go somewhere and suck on each other" might be a

properly offhand way to express your interest at a swing party, studies show that in most situations mutual oral sex seems to be reserved for those who know each other well and are quite comfortable with each other.

By contrast (except at some swing parties, where oral genital expertise Is a great way to make friends out of strangers), the vast majority of first encounters are concerned exclusively with genital sex, featuring occasional excursions into oral as foreplay, but seldom as an end in Itself and almost never mutual and simultaneous. It is only when two people have had repeated experience with fucking each other that they turn their attention to the delights of oral sex.

Interestingly, this behavior has a parallel in primate studies. Male and female cage mates who have lived together for some time are frequently observed stimulating each other's genitals with their mouths before and sometimes Instead of engaging in copulation. When presented with new partners, however, the pattern is to skip oral sex and go straight to fucking.

The warm and slippery feeling enjoyed by the cock when a mouth is licking, sucking and nibbling at it is remarkable similar to the warm and slippery feeling enjoyed by the clitoris and labia when a mouth is licking, sucking and nibbling at them. At least so I'm told. Obviously, sucking and licking need not be limited to cocks and clits. Ball sacs, pussy lips, and assholes enjoy being sucked on too. Likewise, there's no rule that requires lovers to use only their mouths in this enterprise. Helping hands are perfectly permissible, as are vibrators and whatever other equipment you care to use for creating pleasurable sensations. Lips, teeth, tongues, chins, the tip of the nose, all of these can be involved in pleasure giving.

The mouth is the most versatile of all the human orifices and the only one which contains a built-in organ of penetration—the tongue-as well as being the only one which is any good at all at sucking. Although oral sex is sometimes referred to as a blowjob, actual blowing is not a recommended practice. There is some danger of causing serious damage to a woman's interior plumbing if you blow air into her vagina.

Beyond the mouth lies the throat, which can be "trained" with a bit of practice to accept a gently thrusting penis. This last technique goes by the name of "deep-throating," derived from the title of an ancient porn flick Deep Throat. Countless women watching Linda Lovelace swallow the love sword have exclaimed, "I'll bet I could do that!" and then have thrown back their heads and tried It.

Deep-throating is easy enough to learn. The throat does not have to be taught to swallow, but must be taught to ignore the gag reflex. The training technique the same as for circus sword-swallowing: an inch at a time and constant practice.

Bananas are the traditional practice swords in this art because they are the right shape, not hard enough to do damage, and easily digestible if you swallow some of it (peel it first).

Throw the head back to straighten the passage into the throat, take a deep breath to help dislodge it in case the tip breaks off, then insert the banana as far as it will comfortably go and hold there for a few seconds. Once the throat has become accustomed to this degree of penetration and will accept it without gagging, insert it further and repeat the process. With sufficient practice, the throat penetration becomes not only comfortable, but pleasurable.

In the 69 position, many women find deep-throating easiest to do with the man on top. He shouldn't pin her down with his body, but should support his weight on his knees and elbows so she has room in which to maneuver and find the position that allows the most comfortable entry into her throat. In some positions, she will find it possible to breathe around the penis, but she should not be forced to find out how to do this the very first time. She should be in control of the force and degree of penetration, guiding his thrusts with her hands as he fucks her throat gently five or six times before withdrawing so she can breathe.

One of the reasons 69 is so exciting to many of the people who practice it—and more reliably exciting for some than any other position—is that it stimulates the sense of smell by bringing each partner's nose into the other partner's most erogenous zone.

This is the part of you which, even immediately after you've bathed, smells more like you than any other part of your body. Some people, of course, generate stronger odors than others. Similarly, some people prefer stronger odors than others. It is a mistake to assume that everybody wants his partner to be squeaky clean for sex; for many, super clean is a turn-off. I have one fairly regular partner who would prefer I save my shower until later because she likes the way my crotch smells after it's had a chance to ripen.

Remember, strong smells are not necessarily offensive to a given individual. So check with your partner before you try masking your natural odors with chemical deodorants or strong perfumes.

In the real world, 69 is just another way of sharing sexual pleasure, a configuration of bodies which allows them to suck on each other at the same time. It can be used as foreplay or engaged in for its own sake. It can result in orgasm for one or both partners, although neither partner is required to come. Likewise, neither partner is prohibited from having an orgasm during 69. Most practitioners agree that it's unrealistic to insist on simultaneous orgasms in this or any other position, although it's awesome fun when it happens.

Furthermore, 69 is just as good after fucking as it is before. Better, some claim, because the genitals of both partners are then slick with each other's juices. Once you develop a taste for it, the simple gesture of licking each other clean can easily lead to another round of fucking, which, **for the multi-orgasmic, can result in more orgasms for both of you.**

Playing the Blonde

How playing a slut saved my marriage

When the part of Mandy, a sexy blonde hooker from Atlanta, came up for grabs in the next local stage production, I jumped at the chance to play her. I was tired of being the girl-next-door type—both at home and on the stage.

I told my husband Mike about the play, but I decided that it might be fun to save the news that I was playing a prostitute until he saw me under the bright lights on opening night

Every time during rehearsals that I took the stage as Mandy, the other actors found it hilarious. After all, I was the all-American girl. With my brownish-red ponytail and freckles, I looked more like a cheerleader than a hooker! Their laughter made me more determined than ever to pull it off.

I searched through the wardrobe room for a costume for Mandy, but couldn't find anything sexy enough. So I went shopping, and came home and dumped my purchases on the bed. I had felt foolish buying those outlandish clothes, but I felt a rush of excitement as I stripped to try on Mandy's outfit.

I started with a platinum-blonde wig, then I strapped on the lacy garter belt. I had never worn anything but pantyhose, and it took me a few minutes to figure out how to fasten the sheer nylons to it

If I was ever going to pull this charade off, I had to feel as sexy as I looked; so I pulled on the slinky red satin dress without any underwear. I completed Mandy's costume with a pair of strappy high heels. When I looked in the full length mirror, I gasped out loud. I really was Mandy! The all-American girl had been replaced by a gorgeous, even slightly slutty-looking, blonde sexpot!

I liked the way the short dress hugged my body. The top was cut so low that my unsupported breasts were bare almost to the tops of my pink nipples. The four-inch spikes gave my legs more shape than I ever knew they had. And when I sat on the edge of the bed, the slit in the front of the dress fell open to expose my creamy thighs to within an inch of decency.

I felt my nipples hardening and a warm dampness spreading between my legs as I giggled at the sexy blonde stranger in the mirror. I even found myself starting to walk like Mandy would—with a slight, yet very provocative wiggle—as I went into the living room and fixed myself a strong martini. I never drank at home, but I knew that Mandy would.

I flicked on the voice recorder and recited my lines. When I played it back I couldn't believe my ears. It was Mandy speaking! My distinct New England accent had been replaced with a flirtatious, slightly southern drawl. Mandy had turned into a flesh-and-blood woman!

As it turned out, Mandy knocked out the other cast members at dress rehearsal. The guys were so busy staring at me that they were forgetting their lines!

Opening night finally arrived. I stood nervously in the dressing room and peeled off my top and jeans, then my bra and panties. I could feel the sexy blonde taking over my mind and body as I put on the garter belt and smoothed the shiny nylons over my legs. I stepped into the stiletto heels and smilingly appraised Mandy's perfect frame in the mirror, before pulling the skintight dress over my tingling nipples. I blew a kiss to the blonde girl in the mirror and walked confidently and sexily toward the stage.

The audience fell in love with Mandy. After the show, the backstage area was swarming with well-wishers who wanted a closer look at the blonde call girl. I looked through the crowd of anxious men who

were undressing me with their eyes, but I couldn't see Mike anywhere. I was beginning to wonder if my husband had bothered to even show up. Then I heard a familiar voice behind me and turned to see him standing over my shoulder.

It was obvious that Mike liked Mandy a lot! There was a huge bulge in the front of his pants; his eyes were practically popping out of their sockets as they swept over my body, from my pink toenails to my silver blonde wig. He hadn't looked at me with so much obvious desire in years!

"Let's get out of here," he whispered. "I've got a booth reserved over at The Green Door. We'll have a few drinks to celebrate your performance."

"Okay, honey," I cooed in my Mandy voice, "I do feel like I'm on display here."

'Well, you certainly have a lot to display," Mike smiled. I noticed a gleam in his eyes that I had almost forgotten. When we got into the car and I started to take off the wig, Mike begged me to leave it on. Then he said, "Would it be okay if I call you Mandy tonight? And why don't you keep the accent for a few more hours..."

Mike was so turned on that I decided to play along with him. Besides, my pussy was getting very wet and my nipples were burning with excitement. My husband was definitely a different person at The Green Door with Mandy, than he was at home with me. It was if the girlnext-door me didn't exist. He was trying to pick up a sexy platinum blonde named Mandy and he seemed very sure that he would be successful as he plied me with drinks.

Mike slipped one arm around my shoulder and his other hand was sliding up my slippery nylon-clad thigh, toying with the sensitive skin above my stockings. His mouth covered mine and his tongue darted between my lips. I hadn't been kissed like that in a long, long time. Then his hand inched higher up my thigh and my legs parted, as his fingers slid into my slick bare cunt lips.

I couldn't believe that Mike, the guy who was too shy to kiss me goodbye when I dropped him off in front of his office, was finger-fucking me in a crowded cocktail lounge! The other drinkers were twisting in their seats to get a better look at us. A guy in the booth next to us practically fell on the floor when he leaned out in the aisle and saw my gaping pussy.

When Mike's hand dropped under the neckline of my dress and started teasing my sensitive nipples, I thought I would explode. I shivered when his finger touched my swollen clit and whispered into his ear, unconsciously slipping into Mandy's sexy drawl, "Maybe we'd better go get a motel room before we get thrown out of here. Would you like to come along and keep a lonely girl company?"

Mike laughed as he pinched my nipple between his thumb and forefinger, "I don't know. I am married, you know."

I gave his throbbing prick one last squeeze and smiled, 'Well, honey, if you think your goody-two-shoes wife can show you a better time than Mandy can, you go right ahead on home." I slid out of the booth and walked out of the bar, as a hundred admiring eyes watched every stride of my long legs and every jiggle of my braless boobs. When I turned around at the door, Mike was following me like a little puppy.

We were all over each other during the short drive to the motel. By the time we pulled into the parking lot, my tits were hanging out of my dress and Mike's cock was being smothered with hot, wet kisses.

The college-aged kid working the desk stared at me in open-mouthed lust as I inquired about a room. When I signed Mandy's name to the regis-

ter, I leaned over just a little more than necessary, and my tits nearly tumbled out into full view. The kid hurriedly sat down in a vain attempt to hide his straining hard-on.

Before I even had the key all the way into the door, my dress was in a pile around my high heels and Mike was kissing my neck and fondling my bare tits and ass. I reached down to scoop up my dress just as my husband swept me into his arms and carried me to the king-sized bed, slamming the door behind us.

While Mike struggled with his pants and shoes, I reached down and touched my soaking wet pussy, stroking my finger up and down my slick and swollen slit. I pinched and rolled my big pink nipples into hard rubbery points as I waited for my husband to caress and suck them. The beautiful cock that I had grown to love so much was already at stiff attention as he climbed onto the bed beside me.

"I've always had this thing about Southern blondes," he whispered, as his hand dipped between my legs and started massaging my aching cunt. His lips trailed long hot kisses down over my breasts, his tongue flicking my nipples back and forth as I moaned in pleasure.

Then Mike was pushing has manhood into me. I wrapped my long legs around him and dug my high heels into his ass as I raised my cunt to meet his long hard thrusts. It seemed as if my husband's cock had grown to new dimensions as he fucked the tarnished Southern belle named Mandy.

The pressure on my clit was almost unbearable as he drove in and out. Just when I thought I was going to cum, Mike pulled out of me and climbed up over my chest, his shiny cock dangling over my rouged lips. I licked around his swollen head and then slowly sucked him into my mouth, swirling my tongue around his hard flesh as I reached up and caressed and squeezed his heavy balls.

I had never really liked to suck cock, but Mandy loved it. I relaxed my throat muscles and took him all the way in as he erupted with a flood of hot bittersweet cum that filled my mouth and dribbled over my scarlet lips. I (or was it Mandy?) sexily wiped my husband's sticky jism from my chin and licked my fingers clean as Mike collapsed beside me.

"Not so quick," I moaned, and pushed his face down into my pussy. His tongue slid easily into my slit. It had been so long since Mike had gone down on me that it was like a whole new experience for me. But I loved the sweet and torrid feeling spreading over my whole body. I tightened my smooth thighs around his head until Mike was fighting for breath. I arched my hips to meet his tongue's thrusts and soon I was gasping in ecstatic release.

"God!" his muffled and exhausted voice came from between my legs. "You sure could teach my wife thing or two!"

Since that night, our sex life has improved a hundred and fifty percent. It's mainly because Mandy comes back to town to visit about once a month. The Southern slut phones Mike at his office on Friday afternoon and tells him which motel she's at. Then Mandy goes back in hiding until Mike starts acting bored with life and I bring her out of closet.

As a matter of fact, Mike and I have been spending so much time satisfying each other's bodies, that I really haven't had much time for theater group. But they are holding tryouts next week for Cat on A Hot Tin Roof.

I wonder if my husband would like to meet a sultry Southern brunette named Maggie...

whitney

nursing that cock back to health

When my man came down with a cold I knew I just had to get him feeling better asap. When conventional remedies didn't work I knew it'd require a more "personal" touch; waking him up with a nice BJ, and following it up with a hard anal fuck. I'd do anything to have him feeling like his old self.
